*In loving memory of
Hairy the Cat*

Dear Friends of Animals:

Have you seen the Pet Friendly license plate and wondered who it benefits? **Thanks to Spay-Neuter Services of Indiana (SNSI), the Pet Friendly license plate benefits more than 225 rescue groups and shelters across the state.** SNSI provides these organizations with free spay/neuter surgery certificates for animals in their care and for community (feral and free-roaming) cats.

SNSI's strategic programs are reducing shelter intake and euthanasia across the state, with several shelters becoming zero kill within the last few years. **But the vast majority of shelters continue to need our help, and we're asking for your support.**

SNSI will host our signature fundraiser, the Hair Ball, on Saturday, Oct. 7th, 2017, at the Delaware Township Community Center in Fishers. The Hair Ball features live music, freshly prepared foods, and local brews. **But the featured attractions are the silent and live auctions.** We continue to surprise our guests by adding new auction items and changing our offerings each year. Attendees love the event – and the mission it supports.

We are asking your organization for a donation to help make our auctions even more successful this year. Gift certificates, merchandise, weekend getaways, themed-baskets, and tickets to events are highly coveted items.

We are also seeking event sponsors. To learn more about sponsorship benefits, visit www.IndyHairBall.org/Sponsors or contact me at 317/762-0912, ext. 102.

We hope you will consider our event as one of your choices for giving this year. **Your donations allow us to continue to reduce the number of animals entering shelters and the subsequent euthanasia rates.** Together, we're achieving success!

Gratefully,

Cheri Storms
