

HELPING HOOSIERS
Get Them Fixed

Dear Friends of Animals,

The 13th Annual Hair Ball will take place on Saturday, Oct. 7th at the Delaware Township Community Center in Fishers. This popular event supports Spay-Neuter Services of Indiana (SNSI). As our name suggests, the proceeds are used to spay and neuter cats and dogs to reduce intake and euthanasia numbers at shelters throughout the state. To date, SNSI has facilitated more than 110,000 surgeries!

SNSI provides free surgery certificates to more than 225 animal welfare groups and provides low-cost surgeries to thousands of limited-income pet owners. These surgeries are performed by SNSI's extensive network of shared-mission veterinary clinics. Our strategic programs are proven to be effective, with several Indiana shelters experiencing zero-kill status. All shelters remain in need of our help to ensure they can afford to spay/neuter before adoption.

The Hair Ball features musical entertainment, silent and live auctions, freshly catered foods, beer and wine, and surprises to keep guests imagining what might happen next. The Hair Ball has been SNSI's largest fundraiser, drawing up to 400 guests each year.

Thousands more animals are in need of our services. This means that the 2017 Hair Ball needs to be a roaring success! We hope you will join us in working toward a day when no healthy animals are euthanized simply because there are too many of them.

The attached sponsorship packet includes engagement opportunities ranging from \$5,000 to \$100, and includes numerous benefits to showcase your business. Please consider becoming an event sponsor. Together, we can solve this problem.

For the Animals,

Cheri Storms
Executive Director, Spay-Neuter Services of Indiana
